The county will collect a \$2.50 fee for transfer of current registration in addition to the title application fees. If not currently registered, registration fees will be due.

Diesel powered vehicles may be subject to the Texas Emissions Reduction Plan surcharge on the taxable amount.

If the tax or diesel emissions surcharge is paid from 1 to 30 calendar days late, a penalty of 5 percent of the tax will be charged; if more than 30 calendar days late, the penalty will be 10 percent of the tax. Minimum penalty is \$1.00 (TEX. TAX CODE ANN., §152.066).

In addition to the late tax payment penalty, Transportation Code, §§520.031 and 520.032, provides for a delinquent transfer penalty of \$10.00 for failure to apply for title within 20 county working days from date of title assignment. Submit this application, along with proper evidence of ownership, and a copy of valid proof of financial responsibility, such as a liability insurance card, policy, etc., as provided in Transportation Code, §502.153.

All new residents applying for Texas certificate of title and registration for a motor vehicle must file at the County Tax Assessor-Collector of the county in Texas where the applicant resides within 30 days of establishing residency. Texas law requires that all vehicles, previously registered and titled or registered in another state or country, be inspected for safety and the motor and serial number or vehicle identification number verified before such vehicles may be registered in Texas. These inspections must be made by State appointed Safety Inspection Stations who will then complete an out-of-state Vehicle Identification Certificate. This form must be submitted to the County Tax Assessor-Collector with your application for registration and certificate of title.
